INSTRUCTIONS

1. This is not a test, so there are no right or wrong answers; we would like you to work quickly, so that you can finish.
2. All of the questions should be answered by marking one of the answer spaces. If you do not find an answer that fits exactly, use the one that comes closest. If any question does not apply to you, or you are not sure what it means, just leave it blank.
3. Your answers will be read automatically by a computer. Please follow these instructions carefully:
 - Use only a blue or black pen or pencil.
 - Make heavy marks inside the circles.
 - Erase cleanly any answer you wish to change.
 - Make no other markings or comments on the answer pages, since they interfere with the automatic reading. (If you want to add a comment about any questions, please use the space provided on the last page.)
4. Some of the questions have the following format:
